

Cloth Diaper WASH ROUTINE

1

Dump, swish, or spray solids from
diapers before storing in pail.

2

On wash day, empty pail into
washer and do a pre-rinse with
warm water. No additives.

3

Wash on hot with cloth
diaper safe detergent.

4

Rinse again in warm water.

5

Hang diaper parts that contain
plastic snaps or elastic. Tumble
dry absorbent parts on medium.
